

Affordances:

- The sharp curve suggests that the tool can be used for various sorts of cutting or slicing.
 - This could cut twine, grass, other plants, (maybe garden equipment)
 - Letter opener of some sort
 - A door stop
 - Paper cutter
 - A bookmark
 - A paperweight
 - Some variation of a binder clip- can be used to keep a book open on the right page
 - Could be used for throwing, skipping (like a stone)
 - Digging
 - Scratching
 - Spearing/skewering
 - Carving or drawing
 - Measuring
 - Crushing
 - Food preparation
 - A hinge
